Pitties and Kitties Spay and Neuter Special

Make the healthy choice for pets at the highest risk of euthanasia in shelters this September

Lisle, IL: Spay Illinois will be offering low-cost spay and neuter surgery for cats and pitbull terriers. Beginning September 1st, all pitbull terriers can be spayed or neutered for only \$50 and all cats can be spayed or neutered for only \$25. This offer begins September 1st, 2015 and lasts the entire month. This offer is only available at The Pet Well Clinic at 2765 Maple Avenue in Lisle, IL.

All scheduled surgeries include 3 days of pain medication to go home with you. Appointments will fill up fast, so be sure to call (877) 475-7729 to schedule yours today. All dogs over 6 years of age will require a visit for pre-surgical bloodwork, which costs an additional \$35.

The Pet Well Clinic is a program of SPAY ILLINOIS a registered non-profit organization in Illinois dedicated to making pet care affordable for all owners. Please call 877-475-7729 to schedule your appointment today or for more information check out our website at www.spayillinois.org
